

2017 LeGrand Flute Studio Summer Workshops

Improve your flute playing this summer!

- **Back by request: Breathing, Dynamics, Articulation, Phrasing**
- **All-day workshop for high school students on July 16**
- **New this summer: Vibrato, Embouchure Building**

(Workshop Descriptions on p. 2 / Registration Form on p. 3)

"I had such a good time at Ms. LeGrand's summer workshop. We covered many more skills on a Saturday afternoon than is possible in just one lesson. The sessions were very well organized and engaging ... The workshop inspired all of us for sure!"

--Rachel Oliver

Being able to work with other students who share my passion for the flute was like no other experience that I have ever had. From articulation to tone, in just a few hours my skill had increased mountains and I know I can say the same for everyone else that took the class.

--Julia Yeh

Flutist and educator Catherine LeGrand is hosting workshops throughout the summer at her Durham studio. Students of ALL skill levels are welcome and encouraged to participate!

LeGrand, a seasoned professional performer and instructor for over 30 years, will devote 10 individual workshops to a variety of topics. An all-day workshop for high school students is scheduled on July 16. It will cover a broad range of interesting topics and activities, including a masterclass, ensembles, sight reading, and much more!

A faculty member at Campbell University, she has performed with the Houston Symphony, is a former principal flutist with the Houston Grand Opera's Texas Opera Theater Orchestra, and has taught hundreds of flutists of all skill levels through her private instruction, masterclasses and workshops. Don't miss this opportunity!

2017 LeGrand Flute Studio Summer Workshops

BEYOND THE NOTES...

ARTICULATION -- Saturday, July 8, 10 am-12:30 pm

In this workshop we'll practice techniques for producing various articulations in all registers. Bonus: Learn how efficient articulation improves tone and saves air! Participants are encouraged to bring music they are working on.

DYNAMICS -- Sunday, July 9, 2 pm-4:30 pm

Expand your dynamic range in all registers with techniques provided in this workshop. Participants are encouraged to bring music they are working on.

ALL-DAY WORKSHOP for high school students -- Saturday, July 15, 9 am-5 pm, lunch included

- District Band audition workshop
- Improvisation workshop
- Small ensembles—duos, trios, and quartets
- Flute choir, including alto flute and bass flute! And more...

FLUTE WORKOUT WEEKEND

BREATHING WORKSHOP -- Saturday, July 22, 10 am-12:30 pm

Improve your breath capacity and control, tone, and phrase length in this session. We'll practice exercises and use props to aid our understanding and improve our skill. Participants are encouraged to bring music they are working on.

EMBOUCHURE DEVELOPMENT -- Sunday, July 23, 2 pm-4:30 pm

Exercise your facial muscles to gain strength and flexibility for greater control and expression! Participants are encouraged to bring music they are working on.

EXPRESSION EXTRAVAGANZA

VIBRATO -- Saturday, July 29, 10:00 am-12:30

We'll explore the history and the use of vibrato in musical expression. We'll practice techniques for creating variety in the speed and amplitude of your vibrato, magnifying the expression in your flute playing. Participants are encouraged to bring music they are working on.

PHRASING WORKSHOP -- Sunday, July 30, 2 pm-4:30 pm

Learn to play more expressively! Explore methods from master wind teachers: Marcel Moyse's *Tone Development Through Interpretation* and Marcel Tabuteau's "number system" for developing expressive phrasing. Participants are encouraged to bring music they are working on.
